"...The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest." - Matthew 9:37, 38 "...How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things!" - Romans 10:15

Even as we look at our world with wickedness on the rise, there are many needy of the gospel of Jesus Christ. There are many who need the Lord Jesus Christ and have not heard the gospel. As our Lord said, the harvest is plentiful, but the laborers are few. We need more people in the mission field, and irrespective of where we are, every place is a mission field. Let's be the missionaries and preachers of the gospel of peace. Let's share the good news with all people. Praise the Lord!
