"Be of good courage, and He shall strengthen your heart, all you who hope in the Lord" - Psalm 31:24 "Come to Me, all you who labor and are heavy laden, and I will give you rest." - Matthew 11:28 Jesus Christ understood during His time on earth the kind of heavy burden of law and labor that was laid upon the common man. Even today He understands the pain and suffering and burden that is laid upon the believers. But, the good news is, He is the answer to all our burdens. Cast your care upon Him and worry not! Let Jesus lead and carry us through all our heaviness and distress. Remember, He has overcome the world. Be of good courage, and He shall strengthen your heart, all you who hope in the Lord. Praise the Lord!
