"The heavens declare the glory of God; and the firmament shows His handiwork." - Psalm 19:1
"God, who made the world and everything in it, since He is Lord of heaven and earth, does not dwell in temples made with hands." - Acts 17:24 The creation is a handiwork of God. When we look under a microscope the smallest of creatures, or through a telescope the largest of heavenly bodies, we can see God's perfection in His creation. The secular world believes all of this came into existence by chance. God is perfect, and His creation is perfect. Sin corrupted the world, and the heart of man, leading even to the belief on non-existence of God. Let's us not forget our maker, the Creator of heaven and earth. He made all things for His pleasure and glory. Let us give Him praise and thanks, and bring glory to His name, because we are created for the very purpose. He is Lord of heaven and earth. Praise the Lord!
