

"But those who wait on the LORD shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." - Isaiah 40:31 "I can do all things through Christ who strengthens me." - Philippians 4:13 The Psychological explanation of confidence is, "A confidence level describes how strongly you believe you can succeed or how certain you feel about a decision." Men may rely on their experience, emotion, and perception to build their confidence, which is subjective in nature. Some succeed temporarily but in the long-run confidence built on anything else but God will lead to failure. Those who trust in the Lord and wait on Him will mount up with wings like eagle and they will consistently walk and finish the race. Apostle Paul built His confidence in Christ and as a result he could say, 'I can do all things through Christ.' He was content in all state of his life and at the end he entered the presence of his Lord victorious. Let's build our confidence in Jesus Christ our Lord and Him alone. He is all we need. Praise the Lord!
