

"And at midnight a cry was heard: 'Behold, the bridegroom is coming; go out to meet him!' - Matthew 25:6     "Behold, I am coming as a thief. Blessed is he who watches, and keeps his garments, lest he walk naked and they see his shame." - Revelation 16:15     The Bible clearly prophesies the second coming of our Lord Jesus Christ. Our Lord Himself spoke often of His return, describing it as sudden and unmistakable. First, He will come for His Church, receiving His people unto Himself. Then He will come down to earth to establish God's kingdom with the holy angels and all His saints, where He will rule and reign as the King of kings and the Lord of lords. Let us therefore remain ready at all times, for we do not know when our Bridegroom will appear. Praise the Lord!
