"Watch therefore, for you know neither the day nor the hour in which the Son of Man is coming." - Matthew 25 V13 **"The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance."**

- 2 Peter 3 V9

We know neither the day nor the hour of the coming of our Lord. Our Lord is delaying His coming for a purpose and He desires that all should come to Him with repentance and accept His grace. As faithful stewards of the Lord, let us encourage one another and keep up our faith and

hope and never give up the anticipations of our Lord's coming. Watch therefore, Christ is coming soon!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." -

Jesus Christ
