"By your patience possess your souls." - Luke 21 V19

"And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance;" - Romans 5 V3

The Christian faith teaches us to glory in tribulations for we know that death has no authority over us. All tribulations, and sufferings of this age are but for a short while. Let us pray for patience from our Lord and remain faithful to our Lord forever.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
