"...Neither do I condemn you; go and sin no more." - John 8 V11

**"There is therefore now no condemnation to those who are in Christ Jesus."
- Romans 8 V1**

Devil, the accuser, now has nothing to accuse us who are in Christ Jesus. Christ bore our sin and once and for all He freed us from the yoke of sin. The grace of God is free for us but Christ paid the price in full with His own sacrifice. He who knew no sin was made to be sin for us. Christ came into this world that we might not be condemned in our sin but become the righteousness of God in Him. Who can comprehend this amazing love of God?

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
