"By the word of the Lord the heavens were made, and all the host of them by the breath of His mouth" - Psalm 33 V6

"Thus says God the Lord, who created the heavens and stretched them out, Who spread forth the earth and what comes from it, Who gives breath to the people on it, and spirit to those who walk on it." - Isaiah 42 V5

Everything we see and also the things we do not see are created by God and nothing came into existence on its own. Our God, He gives breath to every living being and He created even the tiniest cell that we know of. Come, let us worship our great and awesome God with all our might and praise Him for His wonderful works. Praise God!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
