"Wait on the Lord; Be of good courage, and He shall strengthen your heart; Wait, I say, on the Lord!" - Psalm 27 V14

"Do not say, "I will recompense evil"; Wait for the Lord, and He will save you." - Proverbs 20 V22

You may feel weary, days may be long, but wait on the Lord and He shall strengthen you. We fail because during times of trouble we haste with our own decisions. Hang on and wait for the Lord for He knows what we need and He also knows the best time we can have it. Wait on the Lord and pray to Him for all your needs!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
