"...But as for me and my house we will serve the Lord." - Joshua 24 V15

"For all people walk each in the name of his god, but we will walk in the name of the Lord our God forever and ever." - Micah 4 V5

There is a time coming during the tribulation when people will have to make their choice by force if to serve God or to serve Satan. Today, the grace of God is freely available and we are free to choose if we want to serve God or not. Like the great men of God who chose to serve God from everlasting to everlasting, let us proclaim with one voice that we will serve the Lord forever and ever. Amen.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
