---

**"And the Lord God said, "It is not good that man should be alone; I will make him a helper comparable to him." " - Genesis 2 V18**

**"Therefore comfort each other and edify one another, just as you also are doing." - 1 Thessalonians 5 V11**

God longs for a relationship with us and so He created us with His nature in us. He gave us family and friends that we can enjoy relationship with. As Christians we are related to our other Christian brethren and it is our duty to love, comfort and edify one another. A Christian is never alone for he is now joined to the family of God and God wants us to support one another and have fellowship with Him in one accord.

***"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ***
