1st Kings 18:27-29
And it came to pass at noon, that Elijah mocked them, and said, Cry aloud: for he is a god; either he is talking, or he is pursuing, or he is in a journey, or peradventure he sleepeth, and must be awaked. And they cried aloud, and cut themselves after their manner with knives and lancets, till the blood gushed out upon them. And it came to pass, when midday was past, and they prophesied until the time of the offering of the evening sacrifice, that there was neither voice, nor any to answer, nor any that regarded.

On August the 22nd, Blossom Goodchild - a 'direct voice channelling medium', made the startling prediction that an alien race calling themselves the Federation of Light was about to manifest their presence to mankind in such a way as to provide incontrovertible proof that we are not alone in the universe. The Federation of Light revealed to Blossom Goodchild that one of their ships would appear in the southern skies of our planet for 'three of our twenty-four hour periods', enabling the press to capture the UFO on camera for all the world to see. This dramatic event was to pave the way for full disclosure by world governments of the existence of extra-terrestrials and permit the Federation of Light to intervene on our behalf in order to save mankind from an unspecified time of great trouble ahead. The ship was to appear on the 14th of October, 2008 but until now there hasn't been so much as a whisper from the Federation of Light. Perhaps they have forgotten to disengage their cloaking device? Or maybe they took a wrong turn after passing Andromeda? Or perhaps they now believe Earth is a lost cause? We have yet to hear from Blossom Goodchild as to why the Federation of Light decided not to show up this time.

In reality Blossom's false prophecy reveals to us the startling truth, that the beings she is in contact with do not have the power to manifest themselves in this fashion any more than 'Baal' had the power to burn up the sacrifice that his prophets made upon the altar of stone. The prophets of Baal "prophesied until the time of the offering of the evening sacrifice", but "there was neither voice, nor any to answer, nor any that regarded". Blossom Goodchild has predicted that her 'gods' would appear in the skies above Alabama to save the human race, but there is no sign of any UFO or Federation of Light. What I would say to Blossom Goodchild would be what Elijah said to the prophets of Baal, "the God that answers by fire, let Him be God", 1st Kings 18:24. The 'aliens' broke their promise. They haven't come to save you! They have let you down. But there is One who is coming to save us. He is the God that cannot lie (Titus 1:2). God promised at the beginning of creation that He would send One to deliver mankind from the curse (Genesis 3:15). Four thousand years passed, but He came. And His first coming is one of the most well established facts in history. So you can see,

two thousand years is a comparatively short time to wait for His return. And that period of two thousand years is now coming to a close. Are you ready to meet Him? Turn away from your sins and trust in Jesus Christ for salvation today. Don't put your trust in aliens or men. Put your trust in Jesus Christ for salvation today. He is the only One that can be trusted, for He is the Way, the Truth and the Life (John 14:6). Believe on the Lord Jesus Christ and you shall be saved (Acts 16:31).
