This fascinating link from my friend Olli-Pekka. A meteorite that landed in Peru has caused around a dozen people to experience what seems to be radiation sickness. The meteorite landed in the province of Chicuito, resulting in a crater 6 metres deep and 30 metres wide. Citizens of Chicuito reported seeing a glowing rock, and experienced dizziness, migraines and vomiting spells after coming into contact with the object. The Puno Regional Health Directorate have sent a specialist team to the area to take earth and water samples from the crater and surrounding area.

Quote: *"In addition, Tejada stated that a health brigade, consisting of doctors and nurses would be sent to the landing site to aid people that had reported health problems after having gotten close to the supposed meteorite. "Between 10 and 12 people have reported dizziness, migraines and in some cases vomiting. They assure that after having had close contact with the object the symptoms began," stated Tejada. Furthermore, Tejada stated that check ups would be performed and that it had not been discarded that the symptoms could be related to the glowing object which fell from the sky. "They are healthy people, it could be (due to) radiation, we don't know, we are assuming, it's worth investigating. Things will be clearer tomorrow," stated Tejada.*

As my friend Olli-Pekka said, the timing of this event is quite intriguing considering yesterday's article on the star Wormwood . For if it turns out that the Chernobyl nuclear disaster isn't directly related to the prophecy in the book of Revelation, it is possible for a meteorite to cause radiation sickness and to contaminate a third part of the earth's water supplies. As we saw in the Chernobyl disaster, the cloud of deadly radiation spread throughout Europe. It's effects were witnessed even in my own country which is thousands of miles away from the Ukraine, even though only a small part of the reactor's nuclear fuel was released. Today we are seeing a foreshadowing of the judgements mentioned in the book of Revelation, tomorrow it will be happening for real. Turn to Christ for salvation while it is still today, for "
today, if ye will hear His voice, harden not your hearts
", Hebrews 3:15.

Revelation 8:10-11
And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.
